VERSE 1

Some days I feel like I don't belong
And some days I feel alone
But God gave me hands
To go out and serve the world
Together God makes us strong

CHORUS

Together! Forever!

VERSE 2

When I feel sad, when I feel alone
I will reach for a friend
And when I see others are hurting too
I'll use these hands and help

CHORUS

Together! Forever!

Lift those hands! Can we rock?! Can we rock?!
Work together, no we won't stop!

BRIDGE

I feel it in my soul
That God's love makes me rock and roll
So I jump HIGH or get down LOW
Shout it out and let you know...
That all God's kids have Helping Hands!!

CHORUS

Together! Forever!

Work together, no we won't stop!
Lift those hands! Can we rock?! Can we rock?!
