VERSE 1

The kingdom of heaven's like a mustard seed
The smallest seed makes the largest trees
Everybody matters, because God needs us all

God made me and set me free
To go tell others and help them see
That age doesn't matter when working for the Lord

CHORUS

You're a superHERO!
Ugh! Hey! God can use me, no matter what they say
Ugh! Hey! God can use me, no matter where I go
Ugh! Hey! God can use me, no matter how I look
Ugh! Hey! God can use me,
Just as I am
You're a superHERO!

VERSE 2

Well old King David was once a boy
Who slayed a giant like a little toy
He seemed that smallest but he was the tallest of all

And Mary mother of Jesus was
So courageous and filled with love
Gave birth to the Gospel who set us free

BRIDGE

I'll keep singing this song, singing it oh so long!

CHORUS

You're a superHERO!
Ugh! Hey! God can use me, no matter what they say
Ugh! Hey! God can use me, no matter where I go
Ugh! Hey! God can use me, no matter how I look
Ugh! Hey! God can use me,
Just as I am
You're a superHERO!
