### VERSE 1

Once I thought I was not enough  
That made life a little rough  
But God sang me a different song  
And now I get to sing along

### CHORUS

Woah! I get to give I get to give!  
To help the world start to live  
Together! Hand in hand  
And spreading Love across the land

### VERSE 2

God made me and God made you  
Got gifts that we get to use  
To help each other every day  
Each of us in our special way

### CHORUS

Woah! I get to give I get to give!  
To help the world start to live  
Together! Hand in hand  
And spreading Love across the land

### BRIDGE

Higher and higher, your love spread wider  
We're rising up, we're rising up!

### CHORUS

Woah! I get to give I get to give!  
To help the world start to live  
Together! Hand in hand  
And spreading Love across the land
